

# ResalesDVC Listings App Overview

## Main Screen

The **All (1)** tab is selected by default which displays all active listings.

Tapping the **Search icon (4)** will allow you to enter search criteria such as Resort name(s), minimum and maximum points, min and max price per point, max price, and Use Year.

This helps you quickly find listings you are interested in seeing.

Tapping the **Bookmarked tab (3)** will display all listings that you have 'Bookmarked'. To bookmark a listing, tap on the bookmark icon in the listing card.

Tapping the **Filtered tab (2)** will display all listings that match your filtered criteria. The filtered criteria are saved and don't have to be re-entered. The **default** is to select ALL listings.

The criteria are **entered, cleared, or changed** by tapping on the **Filter icon(5)**.

The **filter icon (5)** becomes active when you tap on the **Filtered tab (2)**.

The filter you set determines what type of listing app alerts you wish to receive. This is an easy way to be notified of any new or modified listings that match your selection (filter) criteria.

Tapping the **News icon (6)** will take you to the news screen where you will see all the current blog articles from ResalesDVC.com

## News Screen

The **Active tab (1)** displays all the articles from ResalesDVC.com. The newest articles are displayed first.

Tap on the article *card* to display the full article.

Tap on the **Filter icon (3)** to display articles belonging to specific categories that you select. For example restaurant or resort reviews.

The **Favorites tab (2)** will bring up a listing of all the articles that you have marked as favorites. Tapping or *long pressing* the heart icon on an article *card* will flag it as a favorite.

The heart color will turn red indicating the article is a favorite. Long pressing the heart icon again will remove it as a favorite.

## Sharing

Tapping the shared icon will allow you to share the article (e-mail,message, etc) with your friends.

## Listings Screen

Tapping the **Listings tab (4)** will take you to the listings screen where you can search or filter current listings.
